

LSL COMMITTEE ROLES & MEMBERS 2022

15th FEBRUARY 2022

INCUMBENT ROLES

PERSON	ROLE	TEAM	BLURB
Stephen Lord	League Director	Finsbury Dazzlers	This will be my 3rd year as Director of the league and also my last. So my priority this year is making sure we return the league back to the way it was before the pandemic as best as possible. If anyone is interested in the Director role please contact me directly.
Lukas Kelly	League Secretary	LSL Committee	I am the current LSL Secretary, having been in post since 2019. Having some 25 years playing experience and former GB Player and Coach. BASU qualified and experienced Softball coach, qualified Personal Trainer. I have been an active 101 coach and have supported all associated events under the LSL umbrella
Ali Brown	Communication Officer	Raiders Red	Day-to-day I work in communications and events, and previously sat on the Raiders committee as General Officer and then Training Manager. I'm now eager to expand this experience through support to the wider League, especially in getting everyone back on a diamond as soon as is possible.
Whitney Hollis	Development Officer	Pimlico Pirates	I support the Development 101 sessions with coaching and have really enjoyed the experience and keen to see how we can better the programme and support the development of players to grow the sport.
David Hurley	Technical Officer	SPAM	I am currently the LSL Technical Officer. I hope to bring to the role a fair and just perspective to all situations and disputes in the league, backed up by my experience as an ESF (European) level umpire since 2013.

Dana Granville	Majors Officer	The Mob	I love softball and this community, and would like to do my part to give back as LSL has given me so much. I want to try to ensure a fair, safe and enjoyable experience for as many players as possible, and to help make everyone feel a part of this fantastic community.
Ross Smart	Majors Officer	Meteors Black	Has served as the Major rep over the past season.
John Rushworth	Minors Officer	Diamond Dogs	Having been through 101 and joined the league as a dev team player, I enjoyed helping at last year's 101 with Ryan. I'd like to give back some of my time to the league and help where I can. I'm also interested in learning how to coach and the Umpire training to further my knowledge in the sport.
Daniel Brightman	New Players Officer	Knight Sliders	I have been playing softball for the last seven years and wanted to give back to the sport and community that has been a big part of my life. As a player and Captain participating in the league, tournaments and indoor, I know a lot of people and teams within the league, making me visible and approachable.

NEW NOMINEES

PERSON	ROLE	TEAM	BLURB
Gem Lin	Treasurer	Finsbury Knights	After becoming captivated with the sport during the summer sessions a couple years ago and joining the wonderful Finsbury Knights, I'd really love to give some time back to assist in the league activities!
Cameron Hindal	Fixtures Officer	Dev Squad	Whilst fairly new to the league and the sport, I have experience in grassroots sports committee roles already. During my final year of University, I was Club President and Treasurer for the Badminton Society. Managing and coordinating with local and national leagues on behalf of our men's, women's, and mixed teams.
Lorraine Phee	Events Officer	Golden Sombreros	I've been involved in the softball community for sometime now and have been responsible for organising my own teams events and tournaments. I have been keen to get involved on the committee and look forward to getting stuck in.

Mark Gould	Minors Officer	Finsbury Knights	I play for the Finsbury Knights. I have been playing in the league for 3 years (minus the COVID year). In 2019 I volunteered my time to co-building the new londonsoftball.co.uk website, I took/take ownership of SEO & performance and I have been further required/approached for web/technical support for the website throughout the last 2 years. I would gladly offer these skills again as a General Officer, as well as further help the London Softball League with the wider responsibilities of a General Officer"
Laura Urquijo Carreto	Umpire Officer	Dev Squad	I am from the Basque Country, but I have been living in the UK for close to five years. I played basketball all through school and again in the UK during my masters. I have volunteered in many sports events like the FIBA World cup in 2016. Last year I took part in the LSL 101 sessions, and that made me want to be more involved with the league, not only as a player.
