

## Committee Roles 2024

Got your attention?! Well, I hope so!

The LSL committee has been running a lean machine this last year with the lack of a communications and events officer. From the end of year survey its clear, we need to have these positions filled to ensure we do better for you.

There are over 48 teams in our league with at least 10 people per team, which means there is a resource pool of 550 people that can help make LSL Great Again!

You may ask what the perks are of being on the committee. One of them is the free food and a few free drinks at events, some pats on the back, and you get to know EVERYTHING before anyone else! How exciting! But truth be told, it's also a great way to learn and develop new skills while making friends for life! So come join the committee!
